

Improve **two** things in your writing

1- Capitalize the first
word in all sentences,
important words in
book titles and all
proper nouns

2 - Place a comma , after any introductory phrase or clause.

"On Thursday, she wore a blue dress to the dance"

Place a comma , after any introductory phrase or clause.

"In my story, some parts of the plot are complex."

Place a comma , after any introductory phrase or clause.

"When she cried, I was sad and almost cried too."
