

# Let's have a text discussion

Text number for Celly is 23559

Text the "cell" name to 23559

**Your cell name is barnesclass  
plus the period you're in**

If you're in 1st period, your "cell" name is barnesclass1

If you're in 3rd period, your "cell" name is barnesclass3

If you're in 4th period, your "cell" name is barnesclass4

If you're in 7th period, your "cell" name is barnesclass7

If you're in 8th period, your "cell" name is barnesclass8

Celly will send you a message saying that the cell you've reached requires a username

Reply with the username:  
**LastNameFirstInitial**

For example, my  
username would be:  
**MarkB**

Celly will tell you that you must be approved.

Soon you will get message from barnesclass welcoming you to the "cell"

## Keys to success

- Read ALL directions that Celly sends
- If you want to stop participating, text "stop" to the cell
- Save on texts by sending "acks" this turns off acknowledgments
- Don't dominate the discussion
